

Decision 03-01-005 January 9, 2003

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Southern California Gas Company Regarding Year Six (1999-2000) Under Its Experimental Gas Cost Incentive Mechanism and Related Gas Supply Matters. (U 904 G)

Application 00-06-023
(Filed June 15, 2000)

**ORDER CORRECTING ERRORS
IN DECISION 02-09-040**

It has come to the Commission's attention that Decision (D.) 02-09-040, which awarded compensation to The Utility Reform Network (TURN) contained an inadvertent typographical error in the compensation awarded to TURN. As a result of this typographical error, D.02-09-040 awarded TURN \$28,626.20, instead of \$28,636.20.

Throughout the decision, \$28,636.20 should replace \$28,626.20. Corrections should be made on page 1, page 8 (Award), Conclusion of Law 2, Ordering Paragraphs 1 and 2.

Conclusion of Law 2 should be modified to read "TURN should be awarded \$28,636.20 for contributions to D.02-06-023 in these proceedings."

Ordering Paragraph 1 should be modified to read "The Utility Reform Network (TURN) is awarded \$28,636.20 as set forth herein for substantial contribution to Decision 02-06-023."

Ordering Paragraph 2 should be modified to read "Southern California Gas Company shall, within 30 days of this order, pay TURN \$28,636.20 plus

interest at the rate earned on prime, three-month commercial paper as reported in the Federal Reserve Statistical Release, H.15, beginning on October 21, 2002, and continuing until full payment has been made.”

Therefore, under the authority of Resolution A-4661,

IT IS ORDERED that Decision 02-09-040 is corrected to incorporate the changes described herein.

This order is effective today.

Dated January 9, 2003, at San Francisco, California.
